Jim,

Will this type of shelving work?

Hi Stephen,

Please find the attached floor plan for the Morrill storage room. I hope I drew this correctly. Please let me know if the door(s) location needs to be corrected.

Also below, please find the link for a picture/description of the shelving that I am proposing.

I hope this will fit the bill. I use them for storing "banker's boxes" all of the time.

Please review and contact me if you have any questions or concerns.

Thank you. – Eric

Eric,

How are you doing on selecting shelving for 224B? We are moving in and using some temp shelving. Please let me know.

Thanks,

Stephen
